

Greenville County Bird Club Trip Report

Date: October 16, 2010

Location: Lake Conestee Nature Park, Greenville, SC

Leader: Paul Serridge

Comments: 11 GCBC members and 2 guests participated. Great weather for birding – blue skies, no wind. Not huge numbers of birds but a total of 52 species was very satisfactory. The Gray-cheeked Thrush and the Brown Creepers were the first of the season.

Bird List: Number of species: 52
