

Greenville County Bird Club Trip Report

- Date:** August 20, 2011
- Location:** Lake Conestee Nature Park, Greenville, SC
- Leader:** Paul Serridge
- Comments:** 6 GCBC members and 2 guests participated – a good turnout in August. It was humid but not too hot. Birds were neither active nor vocal and were difficult to find. For example, a Great Blue Heron was almost hidden in the very long growth at the lake. Despite that we listed 41 species.
