

Greenville County Bird Club Trip Report

Date: September 19, 2015

Location: Lake Conestee Nature Park

Leader: Chris Peak

Below is the species list from the Lake Conestee outing on Saturday, September 19. Most of the warblers were seen at the parking before we headed out on the trail. There were a few redstarts on new boardwalk near the West Bay overlook. The osprey also made a dramatic entrance by circling over the East Bay once, and then diving down to catch a fish out of the water.

Lake Conestee Nature Park, Greenville, South Carolina, US

Sep 19, 2015 7:32 AM - 11:44 AM

Protocol: Traveling

4.0 mile(s)

Comments: Starting temperature was around 64 F. Ending temperature was 80F. We saw most of the warblers in the parking lot. We walked to the West Bay, East Bay, and around the SWT to the Bird Nest. Submitted from BirdLog NA for Android v1.9.6
