Event: Lakes of Northern Greenville County, SC
Leader: J.B. Hines
Lists & Narrative: J.B. Hines
Species Total: 61

Twenty three birders enjoyed a successful morning of birding on some of our favorite lakes in the upper part of Greenville County. Weather conditions were very pleasant with a temperature range of 49 to 60F under overcast skies. The best bird was a female Canvasback seen at Stamey Valley RV Park where we also saw ~30 Redheads. Other good birds were Brown Creeper, Winter Wren, Vesper and White-crowned Sparrows.
