

Greenville County Bird Club Trip Report

Date: July 29, 2017

Location: Allendale Kite Fields, Aiken Gopher Tortoise Heritage Preserve

Leader: Denise DuPon

Species List: 36

Nine club members participated in this year's annual trek to Allendale looking for Swallow-tailed and Mississippi Kites. The fields at Millett Road offered our best views with a couple of large kettles of kites soaring high overhead. Our other stops turned up Painted Bunting and flyover Wood Storks and White Ibis.
