

## Greenville County Bird Club Trip Report

---

**Date:** January 13, 2018

**Location:** Lakes of Northern Greenville County

**Leader:** JB Hines

Hello Birders,

Last Saturday, Jan. 13, a group of fearless birders followed me around on a very cold windy morning. We started at Lake Cunningham and traveled to the old SC fish hatchery and Berry's millpond. We traveled to Lake Robinson's J. Verne Smith park, Few's Bridge Rd and the wetland on N. Tyger Bridge Rd. We stopped at the lake on Milford Rd and ended the outing at the Stamey Valley campground pond. Thanks to Joan and Denise for providing the species list below.
