

Greenville County Bird Club Trip Report

Date: November 5, 2011
Location: Townville area, Anderson County, SC
Leader: Matt Johnson
Comments: Hello All,

We had a productive, albeit chilly and windy, morning birding the Townville area today. Twelve members plus one guest (who is now a new member!) made the loop around Dobbins and Prater Farm, and then searched in vain for the leucistic Red-tailed Hawk that was spotted near Townville last weekend. Highlights of the day were Vesper, Grasshopper, White-throated and White-crowned Sparrows, Barred Owl, Loggerhead Shrike, Horned Lark, and American Pipit.

All total, we tallied 53 species. My ebird report is listed below...please let me know if there were any species that I missed, or numbers of species that don't seem right.
