

Greenville County Bird Club Trip Report

Dates: November 7, 2009

Location: Townville, Anderson County, SC

Leader: Brian Barchus

Comments: A total of 13 participants showed up for the trip which started out with heavy fog that gave us some tough viewing conditions early, turning rather quickly into warm temps. All in all a great day w/great weather and a decent turn out of birds. Thanks to all who showed up and hope to see you again.
