

Greenville County Bird Club Trip Report

Date: December 10, 2011

Location: Carolina Sandhills National Wildlife Refuge, McBee, SC

Leader: Jeff Click

Comments: 13 members of the Greenville County Bird Club birded this Saturday at the Carolina Sandhills National Wildlife Refuge, near McBee, SC. We birded several of the trails, roadsides, fields, and ponds in the refuge. While birding was largely slow, we did manage to spot 51 species, including a Merlin and a fleeting glimpse of Red-cockaded Woodpecker. The full list is below.

Good birding,
Jeff
