

## Greenville County Bird Club Trip Report

**Date:** November 11, 2006

**Location:** Townville area, Anderson County, SC

**Comments:** On Saturday November 11, GCBC visited the Townville area which included the Dobbins Cattle Farm, Beaverdam WMA and one of the Lake Hartwell public launch areas. Fourteen members and one guest, Jeff Mollenhauer were well rewarded on this beautiful fall morning as a single Sandhill Crane was observed walking in a pasture behind one of the farm ponds. We tallied a very respectable list of 61 species for the outing.
