

Greenville County Bird Club Trip Report

Dates: September 13, 2008

Locations Table Rock State Park, Pickens County, SC

Leader Park Naturalist, Scott Stegenga

Three members of the GCBC joined park naturalist Scott Stegenga for a very pleasant morning of birding at Table Rock State Park. The low number of participants was certainly due to the gasoline shortage caused by Hurricane Ike. Not only was gasoline in short supply, so were fall migrants.
