

Greenville County Bird Club Trip Report

- Dates:** September 25, 2010
- Locations:** Wilson's Farm, Greenville County, SC
- Leader:** Donnie Coody
- Comments:** Ten members participated in the outing at Wilson Farm on Saturday, September 25, in great fall weather. We saw or heard a total of 49 species, including a Great Horned Owl that was heard by Jane Kramer and others before the rest of the group arrived, and a Northern Harrier that was seen by Donnie and Shelby as it was gliding low over a field after everyone else had left.
- On behalf of all the participants, I would like to thank John Walker for once again allowing the club to visit Wilson Farm.
